

# **265 Give Blood At Arsenal**

Employees of the Joliet Arsenal added 265 pints of blood to the Red Cross Korean quota this week.

The Chicago Defense Center's bloodmobile was stationed there for two days and more than 300 persons responded to the call. Because of colds and other physical inabilitys, several were temporarily rejected but will be available at a later date.

George M. O'Brien, Blood Program Chairman for Will County Chapter, stated that he was very pleased with the results of the visit and of the fine cooperation always given by the employees of the Joliet Arsenal, the United States Rubber Co., and the Ordnance Ammunition Center who co-operated in furnishing the donors.
